Radiology Services

Kaiser Permanente Radiology Facilities

There are several options for members who need to obtain outpatient radiology services. Outpatient radiology services for members can be provided at all Kaiser Permanente Medical Centers. Several community radiology groups throughout the region are contracted to provide services for the Washington metropolitan area, including Washington, DC, Northern Virginia and Maryland.

All listings in this section are current as of the distribution date of this Provider Manual. Please consult our website at www.kp.org for the most current information.
