Welcome from Kaiser Permanente

It is our pleasure to welcome you as a contracted provider (Provider) participating under HMO plans offered by the Kaiser Permanente Medical Care Program Affiliated Payors. We want this relationship to work well for you, your medical support staff, and our Members.

This Provider Manual was created to help guide you and your staff in working with Kaiser Permanente’s various systems and procedures applicable to our HMO products in Northern California. It is an important part of your relationship with Kaiser Permanente, but this Provider Manual does not cover all aspects of your relationship with us. Please continue to consult your Provider agreement with Kaiser Permanente.

During the term of such agreement, Providers are responsible for (i) maintaining copies of the Provider Manual and its updates as provided by Kaiser Permanente, (ii) providing copies of the Provider Manual to its subcontractors and (iii) ensuring that Provider and its practitioners and subcontractors comply with all applicable provisions. The Provider Manual, including but not limited to all updates, shall remain the property of Kaiser Permanente and shall be returned to Kaiser Permanente or destroyed upon termination of the obligations under such agreement.

If you have questions or concerns about the information contained in this HMO Provider Manual, you can reach our Medical Services Contracting Department by calling (844) 343-9370.
