Section 6: Provider Rights and Responsibilities

As a contracted Provider for Kaiser Permanente, you are responsible for understanding and complying with terms of your Agreement and this Provider Manual. If you have any questions regarding your rights and responsibilities under the Agreement and the Provider Manual, we encourage you to call your Provider Representative at 1-866-866-3951 for clarification.

While this Provider Manual is not intended to provide specific instructions on how to comply with these responsibilities, you are responsible for doing or ensuring the following:

As a Participating Provider, you are responsible for the following:

• To verify eligibility of Kaiser Permanente Members prior to providing covered services.
• To provide medically necessary services to eligible Members.
• To verify whether a Member has other health care coverage for coordination of benefits.
• To refer Members, as needed, to other Participating Providers.
• To comply with Kaiser Permanente’s referral and authorization requirements.
• To notify Kaiser Permanente of any potential inpatient discharge problems.
• To submit claims or encounter data to Kaiser Permanente on behalf of Kaiser Permanente Members.
• To provide prior written notice of practice closures (and reopenings), changes in Participating Provider demographics and practice limitations.
• To provide health care services without discriminating on the basis of health status or any other unlawful category.
• To uphold all applicable responsibility outlined in Kaiser Permanente Member Rights and Responsibility Section in this Provider Manual.
• To maintain open communication with a Kaiser Permanente Member to discuss treatment needs and recommended alternatives, without regard to any covered benefit limitations or Kaiser Permanente administrative policies and procedures. Kaiser Permanente encourages open provider patient communication regarding appropriate treatment alternatives and does not restrict providers from discussing all medically necessary or appropriate care with a Kaiser Permanente Member.
• To provide all services in a culturally competent manner.
• To provide all covered services in a manner consistent with professionally recognized standards of health care.
• To assure that Members are informed of specific health care needs requiring follow-up and receive, as appropriate, training in self-care and other measures the Member may take to promote their own health.
• To participate in Kaiser Permanente Utilization Management and Quality Programs and Policy.
• To collect applicable Member Cost Share including copayments, deductibles and co-insurance from Kaiser Permanente Members as required by your Agreement.
• To comply with this Provider Manual and the terms of your Agreement.
• To cooperate with and participate in the Kaiser Permanente Member complaint and grievance process as necessary.
• To secure authorization or referral from Member’s PCP prior to providing any nonemergency services when applicable.
• To pursue improvement in patient safety including incorporating patient safety initiatives into daily activities.
• To ensure compliance with patient safety accreditation standards, legislations and regulations.
• To be responsible for maintaining a complete medical record for patient who elect to receive their health care through your offices.
• To ensure the confidentiality of Kaiser Permanente Members’ personal and medical information.
• To be responsible for the safeguarding of both the Kaiser Permanente Member's medical record and its information content against loss, defacement, tampering and from use by unauthorized agents.

6.1 Primary Care Providers’ (PCP) Responsibilities

All primary care physicians (PCPs) who have contracted with Kaiser Permanente are held to the same standards of care.

Qualifications

- Each PCP must be a family practitioner, internal medicine practitioner, pediatrician or general practitioner.
- PCPs must be certified by a board recognized by the American Board of Medical Specialties or the American Osteopathic Association. PCPs must be boarded in the specialty for which they are applying for credentialing. Any exceptions must be approved by the Credentialing Committee.
- PCPs must complete the Kaiser Permanente credentialing process, including completion of a credentialing application, and supply copies of all applicable supporting documentation.
- All physicians in the practice must be participating with Kaiser Permanente, or in the process of becoming active. If all physicians in the practice are not participating, the practice may be terminated from the network.
- Appropriate licensure and malpractice insurance must be current and remain current throughout the duration of the agreement.

- Offices must have an adequate number of examination rooms which are clean, properly equipped, and provide privacy for the patient.
• Offices must have a non-smoking policy.
• Offices must have an assistant in the office during business hours.
• Offices must require a medical assistant to attend specialized (i.e., gynecological) examinations, unless the patient declines to allow such assistant to be present.
• Offices must collect all applicable co-pays, deductibles or coinsurance.
• Offices must provide evidence that physicians have a copy of current licenses for all allied health practitioners (PAs, NPs etc.) practicing in the office, including state professional license, FDA and State Controlled Drug Substance, where applicable.
• Offices should keep on file and be able to produce any state required practice protocols or supervising agreements for allied health practitioners practicing in the office.
• If required offices must pass a site evaluation, performed by a Provider Representative. Copies of the site evaluation are available in advance. A site visit may also be performed if a complaint is received.

Medical Record Standards

• PCPs must demonstrate at the time of application and throughout the term of the Agreement, that medical records are legible, reproducible, and otherwise meet applicable laws and standards for confidentiality, medical record keeping practices and that clinical documentation demonstrates comprehensive care.
• Members’ medical records should include reports from referred and/or referring providers, discharge summaries, records of emergency care received and such other information as Kaiser Permanente may require from time-to-time.
• Each member encounter must be documented in writing and signed or initialed by the PCP or as required by state law. Please include member’s name, date of birth and medical record number.
• PCPs must comply with the terms of your agreement regarding medical records and pursuant to Kaiser Permanente’s medical record documentation standards.
• PCPs should review HEDIS information via KP Online-Affiliate, in order to submit information needed to support HEDIS measures for the year.

6.1.1 Changing Primary Care Providers

We offer two simple ways a member can choose a primary care doctor:
• Online. Visit kp.org/new member, select your region, and click “Continue.”
• By phone: Call 303-338-3800 or 1-888-681-7878. 8 am-5pm, Monday-Friday. A Member Services Representative will assist the member to make selections.
6.2 Specialty Care Provider Responsibilities

- Provide consultation services when requested by CPMG and participating PCPs and authorized by Kaiser Permanente.
- Provide all required professional services on a 24-hour basis for both outpatient and inpatient care when requested by the patient’s PCP and authorized by Kaiser Permanente.
- Obtain required prior authorization from Kaiser Permanente and notify the PCP when any hospital or ancillary services by providers are requested by the specialist.
- Submit a report of findings to the patient’s primary care physician promptly following diagnosis or treatment.
- Participating primary care physicians will utilize the services of participating specialists. For Southern Colorado network primary care physicians, a referral is not required for a member to see a Southern Colorado network contracted/participating specialty care physician. For Northern Colorado network primary care physicians, a referral is not required for a member to see a CPMG or Banner specialty care physician.

Qualifications

- Each specialist physician must be an MD or DO who dedicates a significant portion (usually greater than 50 percent of his or her professional services) to non-primary care delivery.
- Specialists must be certified by a board recognized by the American Board of Medical Specialties or the American Osteopathic Association. Specialists must be boarded in the specialty for which they are applying for participation. Exceptions must be approved by Kaiser Permanente’s Credentialing Committee.
- Specialists must complete the Kaiser Permanente credentialing process (as applicable), including completion of a credentialing application, and supply copies of all applicable supporting documentation.
- Appropriate licensure must be current and remain current throughout the duration of the agreement.
- All physicians in the practice must be participating with Kaiser Permanente, or in the process of becoming active. If all physicians in the practice are not participating, the practice may be terminated from the network.
- Annually submit certificates of insurance to the credentialing department.

Scope of Services

- Specialists should provide care within the scope of their license and pursuant to applicable standards of care.
- Specialist is responsible for communicating findings and recommended treatment to the member’s PCP in a timely manner.
• Offfices should have a mechanism to notify members if an allied health practitioner (i.e., PA, NP, CNM, etc.) will provide care.

Accessibility/Office Hours
  o Specialists are responsible for performing office visits during regular visit hours for the evaluation/management of medical conditions. Patient education functions may be conducted by appropriately trained staff under the Kaiser Permanente contracted provider’s supervision.
  o Specialists must have on-call coverage, 24-hours a day, seven days a week. Members are entitled to access their specialty physician, or his/her designee who must be a Kaiser Permanente contracted and approved credentialed provider, by telephone after regular office hours. Specialist is responsible for having reliable answering service or machine with beeping or paging system.
  o Each specialist or their covering physician must respond to a member within 30 minutes after notification of an urgent call.
  o Specialist is responsible for making available at least an average of eight hours a week for scheduling office appointments, as applicable.
  o Ob/Gyns shall make available at least an average of 20 hours a week over three days at all locations for scheduling appointments.
  o If a specialist’s office has more than one physical location contracted with Kaiser Permanente, then the specialist must have, at a minimum, eight hours of regularly scheduled office hours for patient treatment at each location.
  o Each specialist must maintain the following standards for appointment access:
    o Emergency care: must be seen immediately or referred to ER, as appropriate.
    o Urgent complaint: same day, or within 24 hours of member’s request.
    o Regular or Routine Care: within 14 days of member’s request.
    o Preventive routine care: within (4) weeks of member’s request.

Covering Services
  o Specialists are responsible for securing covering specialist services that must be contracted with Kaiser Permanente.
  o For inpatient services, the covering physician must be a contracted provider who has privileges at the same Kaiser Permanente contracted facility as the specialist.
  o Approval of coverage by a non-contracted specialist physician is subject to Kaiser Permanente’s sole discretion, and such approval must be in writing. Approved covering specialists must abide by the responsibilities included in this Provider Manual.
  o Payment to non-participating covering specialists must be arranged by specialist. Specialist will ensure covering specialists do not bill members, except for applicable co-payments, coinsurance and deductibles for any covered services.
Hospital Privileges/Admissions

When applicable to relevant specialty, and based on the contractual obligation with Kaiser Permanente, specialists must have maintained hospital privileges with a contracted hospital for six months prior to application with Kaiser Permanente, unless specialist has more recently entered into clinical practice or completed their residency or fellowship training program. Hospital privileges must remain current and in good standing for the duration of the contractual relationship with Kaiser Permanente. If specialist provides specialty services at a contracted facility, specialist must also meet any additional criteria applicable as set forth in the Participation Responsibilities for Facilities (below) for the duration of the terms of the contract.

Referrals and Authorizations/Utilization Management

- Specialists are responsible for complying with all referral and authorization requirements outlined in the “Utilization Management” chapter of this Provider Manual, and are responsible for obtaining appropriate authorization for services on the Prior Authorization List available at: http://providers.kaiserpermanente.org/html/cpp_cod/authorizationstoc.html?

6.4 Events that Require Notification

6.4.1 Closing and Opening Provider Panels

If you intend to close your practice to new patients, you are required to provide Kaiser Permanente with written notice 30 days prior to the effective date.
If you would like to verify whether Kaiser Permanente has your practice listed as open or closed to new patients or change your provider panel status, please contact your Provider Representative by calling 1-866-866-3951.

### 6.4.2 Change of Information

Provider shall notify Kaiser Permanente promptly in writing of any of the following events:

- Any license, certification, accreditation, or clinical privilege of a Practitioner or Facility providing Covered Services is revoked, suspended, restricted, expired, or not renewed.
- Provider, a Practitioner or Facility is subject to sanction or is debarred, excluded, or suspended from any federal program including Medicare or Medicaid.
- There is any formal report submitted to the medical board (or similar practitioner board) or licensing agency of any state or U.S. territory, or the National Practitioner Data Bank of adverse credentialing or peer review action regarding Provider, a Practitioner or a Facility.
- There is any material change in the credentialing or privileging status of Provider, a Practitioner or a Facility.
- There is any incident that may affect any license, certification, privileges or accreditation held by Provider, Practitioner, or any Facility.
- Any change in Provider’s operations (including termination, suspension, or interruption of any Services) that will materially affect the manner in which it provides Covered Services to member.
- Any unusual occurrence that affects any Member receiving Covered Services and that is required to be reported to any governmental or regulatory body or to an accreditation organization.
- Any change in legal status, tax identification number, and Medicare or Medicaid number.
- Any material changes in ownership, control, name, or location.
- Any other event or circumstance that materially impairs Provider’s ability to provide Covered Services to Members as required by the Provider Manual (including Provider’s inability to provide covered services at a Facility at which KP expects Provider to provide Covered Services.

For changes in Federal Tax-ID numbers, please include a W-9 form with the correct information and effective date of the change to:

- Providers contracted with CPMG, please email KPCO-PDM@kp.org or fax 866-380-9188
• Providers contracted with KFHP or KFH, please email Kaiser-Provider-Notification@kp.org or fax 303-338-3088

6.4.3 Adding a New Practitioner

If your office is adding a physician or other professional practitioner to your practice, please notify your Provider Representative at 1-866-866-3951.

A Provider Representative will ensure that you receive the proper documents and assist you and your new physician or other professional practitioner through Kaiser Permanente's credentialing process. Please note that Practitioners may not see Kaiser Permanente Members or bill for services until they have successfully completed the credentialing process.

Facility Credentialing or when Credentialing is Not Required: Please notify your Provider Representative at 1-866-866-3951 prior to rendering services to update Kaiser Permanente’s systems accordingly. Please note: Do not see Kaiser Permanente Members or bill for services until KP has been notified.

Providers with delegated Credentialing agreements: The delegated entity must notify its Provider Representative at 1-866-866-3951 of the addition of a credentialed physician or professional practitioner as soon as possible, but not greater than fifteen (15) days of the credentialing approval date. Please note: Failure to notify KP within fifteen (15) days of the credentialing approval date will result in denial of claims for all dates of service through the date KP receives notification.

6.4.4 Provider Retirement or Termination

If your office has a physician or other professional practitioner leaving your practice, please notify your Provider Representative at 1-866-866-3951.

6.4.5 Other Required Notices

Provider shall use best efforts to notify Kaiser Permanente in writing at least 90 days prior to cessation or suspension of any services.

Providers are required to give Kaiser Permanente notice of a variety of other events, including changes in insurance and ownership, adverse actions involving Practitioners’ licenses, participation in Medicare, and other occurrences that may affect the provision of services under your Agreement. Your Agreement describes the required notices and manner in which notices should be provided.
6.5 Call Coverage Providers

Call Coverage Providers must adhere to Sections 6.1 and 6.2 of this Provider Manual.

6.6 Types of Disputes, Requirements and Submission Time Periods

If you disagree with the handling of a claim, you should first call Member Services at (303) 338-3800 or 1-888-681-7878 to inquire about the claim. In most cases, they should be able to answer and resolve any issues you may have.

If resubmission or reconsideration is necessary, please send in the information and make sure you stamp or write resubmission or reconsideration on your claim form. The information provided in this section does not pertain to self-funded claims disputes or self-funded claims appeals. For information on self-funded claim disputes or appeals, call (877) 883-6698. In most cases, they will be able to answer and resolve any issues you may have. For further information, please refer to the Self-Funded Program Provider Manual.

6.6.1 Reconsiderations

Timely Submission of Provider Request for Reconsiderations:

When a Provider disagrees with a claim determination, a request for reconsideration on the claim must be forwarded in writing to Kaiser Permanente with any applicable supporting documentation. Reconsideration initiation can also be done by calling the Member Services Customer Service Department at (303)338-3600 or (888) 681-7878.

Provider’s failure to submit written requests for reconsideration within 45 days from the date of the Remittance Advice shall result in the request being denied by Kaiser Permanente with no further action.

Submit the request in writing, along with supporting documentation to:

Kaiser Permanente Reconsideration
P.O Box 373150
Denver, CO 80237
NOTE: When using the email intake process, please follow the Vendor Claims Issue Submission and Kaiser Permanente (KP) Intake Resolution Process below:
NOTE: The Reconsideration/Resubmittal Form can be found at: http://providers.kaiserpermanente.org/html/cpp_cod/claimstoc.html?
NOTE: The reconsideration process should be followed before filing a Level 1 Appeal.

6.6.2 Provider Appeals

Timely submission of Provider request at Appeal level:

Pursuant to the Division of Insurance criteria of regulation 4-2-23, when a Provider disagrees with a claim determination, a request for appeal/dispute on the claim must be forwarded in writing to Kaiser Permanente within 45 days from the date of the Remittance Advice. Provider’s failure to submit written requests for appeal within 45 days shall result in the request being denied by Kaiser Permanente with no further action being allowed by the Provider.
6.6.3 *Provider Appeal Process*

6.6.4 Provider Appeal/Dispute Determination

**Denial Upheld:** The Provider will be notified in writing by the Kaiser Permanente Appeals Unit, including the rationale for the decision. For payment appeal, if the Member may potentially be held financially liable, the Member will receive a copy of the Explanation of Benefits (EOB) and instructions on any further appeal rights.

**Denial Overturned:** The Provider will be notified in writing on the outcome of the appeal and action taken by Kaiser Permanente Appeals Unit, e.g. payment processes or referral/authorization approval.

6.7 Provider Rights and Responsibilities / Senior Advantage

**Adherence to Appeals Procedures (same as under Member Rights) Compliance with Laws and Regulations:**
Practitioners and providers and subcontractors must agree to comply with all rules and regulations that are applicable to federal contracts. These include all laws and regulations applicable to federal contracts, including Title VI of the Civil Rights Act of 1964, the Age Discrimination Act of 1975, the Americans with Disabilities Act, and all other laws applicable to recipients of federal funds. You must comply with Federal criminal law, the False Claims Act (31 U.S.C. 3729 et.Seq.) and the anti-kickback statute (section 1128B(b) of the Act). This also includes the general rules that might apply, and the policies, procedures and manual provisions, as well as other program requirements, issued by CMS. These also include Kaiser Permanente’s policies and procedures.

Uphold denial – You will be notified in writing by the Kaiser Permanente Appeals Unit. The letter contains the rationale for the decision. For payment appeal, if the Member may potentially be held financially liable, the Member will also receive a copy of the letter and instructions on any further appeal rights.

Overturnd denial – You will be notified via phone/fax or in writing on the outcome of the appeal and action taken by Kaiser Permanente Appeals Unit, e.g., payment processes or referral/authorization approved.

6.7.1 Compliance with Policies and Programs

All practitioners and providers must comply with the medical policy, quality assurance program and medical management program. This includes reviewing and participating in the programs as required.

6.7.2 Continuation of Services after Termination

Practitioners and providers acknowledge that they will continue to provide benefits to members if Kaiser Permanente goes bankrupt, cannot pay its debts, or terminates its contract with CMS or another provider. Practitioners and providers must continue to serve the member until the end of the month in which CMS makes its last payment to
Kaiser Permanente for the member. If the member is hospitalized when the contract is terminated, the obligation to provide services continues until discharge.

### 6.7.3 Cooperate with Independent Quality Review

Quality Review is an essential part of Kaiser Permanente’s arrangement with CMS. Since medical care is subject to quality review, practitioners and providers are responsible to participate in quality review and are obligated to participate in any quality review function Kaiser Permanente designates.

### 6.7.4 Cultural Competency

Practitioners and providers must ensure that services are provided in a culturally competent manner to all members. Kaiser Permanente expects providers to provide health care that is sensitive to the needs and health status of different population groups. This includes members with limited English proficiency or reading skills, diverse cultural and ethnic backgrounds, and physical and mental disabilities. Kaiser Permanente has a Diversity Department that can assist you with questions Provider may have regarding this matter.

### 6.7.5 Delegation

If Kaiser Permanente has delegated any core activity or function (as defined by CMS) to a contracted practitioner, the activity or function must be monitored and overseen by Kaiser Permanente.

To the extent that any practitioner and provider has been delegated any activities or functions which the responsibility of Kaiser Permanente are; the practitioner will make such periodic and other reports as reasonably required by Kaiser Permanente. In its agreements with practitioners and providers, Kaiser Permanente will specify the delegated activities and reporting responsibilities, termination procedures should the affiliated practitioner not perform function(s) as required, and Kaiser Permanente’s right and responsibility to perform ongoing monitoring.

### 6.7.6 Disclosure of Quality and Performance Indicators

Kaiser Permanente conducts ongoing studies and surveys of member satisfaction and health outcomes. The provider must participate in these studies and surveys as requested by Kaiser Permanente pursuant to CMS standards.

### 6.7.7 Follow Up Care and Training in Self Care

Contracted providers must ensure members receive the information they need to participate fully in their own care, including information on such subjects as: self-care,
medication management, use of medical equipment, potential complications and when these should be reported to providers, and scheduling of follow up services.

6.7.8 Adherence to CMS Marketing Provisions

All forms of written or electronic marketing materials for potential and current members must be reviewed and approved by CMS before they are sent.

Marketing materials include materials used to promote Kaiser Permanente or Kaiser Permanente Senior Advantage, inform Medicare members and beneficiaries about enrollment, explain coverage of benefits and plan rules, and explain coverage of Medicare services. Materials will usually be developed, produced and disseminated by Kaiser Permanente. In the event that practitioners and providers or provider groups develop their own informational materials intended to inform their Medicare patients about Kaiser Permanente Senior Advantage or its services, such materials must be submitted to Kaiser Permanente Medicare Compliance for review and approval.

Marketing materials developed by practitioners and providers that are intended for Senior Advantage members or other Medicare beneficiaries require CMS approval.

6.7.9 No Recourse Against Members

CMS requires Medicare Advantage members be protected from incurring financial liability for charges that are the obligation of Kaiser Foundation Health Plan of Colorado. Senior Advantage members are liable only for cost-sharing amounts that are specified in the member’s membership agreement or Evidence of Coverage brochure.

6.7.10 Notice and Hearing Rights

If Kaiser Permanente suspends or terminates an agreement for services, its written notice of such suspension or termination will be provided to the party with whom Kaiser Permanente has the contract. If the contract is with an individual affiliated provider, Kaiser Permanente will provide the practitioner or provider with the notice of hearing rights as required by the Medicare Advantage statues, rules and regulations. If the contract is with a practitioner or provider group or organization, the group or organization must give each affected physician who is entitled to notice and a hearing under the Medicare Advantage Program, written notice of such suspension or termination. The notice shall include notice of the right to appeal, the process, and timing for such appeal, and reference Kaiser Permanente’s notice and hearing
procedures. Nay such rights of appeal will not delay the date of suspension or termination. Rights of appeal and hearing are only available to individual physicians.

**6.7.11 Notice of Termination of Practitioners**

Kaiser Permanente has procedures in place to notify all affected members of the termination of a practitioner. Such terminated practitioners may only communicate with members in accord with Kaiser Permanente policies and procedures.

Furthermore, terminated practitioners must provide Kaiser Permanente with the information needed to meet its notice obligations. Kaiser Permanente is required to make a good faith effort to notify affected members within 30 calendar days of the date when the notice of termination was provided.

**6.7.12 Payment and Incentive Arrangements**

Payment arrangements between Kaiser Permanente and its practitioners and providers must be specified in all contracts. These provisions apply to all levels of contracting, and it is important that this requirement be included at each level of the contracting process. Note that no contract provision can create an incentive to reduce or limit services to a specific member.

**6.7.13 Professionally Recognized Standards of Health Care**

Services to members must be provided in a manner consistent with professionally recognized standards of care.

**6.7.14 Prohibition against Contracting with Excluded Individuals and Entities and Opt Out Providers**

Kaiser Permanente is prohibited from employing or contracting with practitioners and providers excluded from participation in any federal health care program, including Medicare. Affiliated practitioners and providers are also prohibited from employing or contracting with such providers. In addition, Kaiser Permanente may not contract with practitioners and providers who treat Kaiser Permanente Medicare Advantage members unless they participate in Medicare. Such practitioners and providers must certify to Kaiser Permanente that their contractors are eligible to participate in Medicare. Contracts are terminable for these reasons.

**6.7.15 Prompt Payment**

The amount of payment and the period in which payment should be made must be set forth in the contract. Any subcontracts that you have with practitioners or providers to
provide services to Senior Advantage members must likewise contain a prompt payment provision.

6.7.16 Terminations without Cause

To ensure stability and continuity in services for Senior Advantage members, CMS requires that Medicare Advantage organizations like Kaiser Permanente and its practitioners and providers provide each other with at least 60 days written notice before terminating a contract without cause.
